TOURIST ACCOMODATIONS
Residence type

For the tourist accommodation we require a 100% discount during the low season and a minimum of 50% during the peak season.
Our objective is that we have availability during the low and mid-season.

TOURIST ACCOMODATIONS

Residence type

LOW SEASON (May-June – 1 week of July -September)
Generally during this period where there is more availability, we ask for a free stay of which the guest has the obligation to consume goods as stated in the official list. (Water – Electricity - Gas - Membership Card - Accessories).
In the case that the pricelist includes these consumptions, we consider it to the maximum of 20% of the current price list.

MIDDLE AND HIGH SEASON (July-last week of August)

During this period, we ask for a 50% discount on the aid tariff. The guests are obliged to pay for the consumptions listed in the official list (Water – Electricity – Gas – Membership Card – Accessories).

If the accommodation has the restaurant service, we can include an anticipate sale.

HOTEL TARIFFS

LOW SEASON (May – June- first week of July – September)

During this period where there is enough availability we ask a free stay with the obligation to buy in site a half board or full board (at the discretion of the accommodation).

MIDDLE AND HIGH SEASON (July-last week of August)

During this period, we ask a discount up to 50% of the official tariff. Obligation of the guest to pay the site the Extras listed in the official list.

FREE ADVERTISING

Weekly between Email and every 4 days on the App (Push messages) we keep our users posted of the initiatives the individual structures want to advertise.
Gradually are advertised those periods that have a vast availability, in one go reaching over 199.000 users.
